Mi'kmaw Charades or drawing

Create two teams :

*Each team will receive material to assist the team to guess the (Mi'kmaw sight word) You will only receive **one guess** and only **two minutes** for the team to guess the drawing . Talukwet ?*

*If team **A** is correct they will receive **five points**.*

*Then its team **B** turn to guess the next Mi'kmaw verb. (Charades)*

*If your team **guess the wrong Mi'kmaw word** then your team loses an opportunity to score five points and **pass the guess** to the next team . The opposite team has an opportunity to steal your point. :)*

*If **both teams** guessed and were wrong, no one would receive the point. Then the team player gets ready to act out the next Mi'kmaw sightword.*

The team with most of the points wins the game.

Optional : The game can go with limited time to play. 30 mins.
